HOW CAN YOU HELP PREVENT SUICIDE?

Suicides are preventable. Help is available 24/7. Call or text 988 or chat online.

Know the Warning Signs

Talk: Being a burden to others, killing themselves, feeling trapped, having no reason to live

Mood: Loss of interest, depression, rage, anxiety, empty, hopeless

Behavior changes: Acting recklessly, withdrawing from activities, increase use of alcohol or drugs, sleeping too much or too little, giving away prized possessions, looking for ways to kill themselves

Know the Risk Factors

- Mental disorders
- Alcohol or other substance use
- Hopelessness
- History of trauma or abuse
- Previous suicide attempts
- Major physical illness
- Financial loss
- Loss of relationships
- Easy access to lethal means
- Lack of social support and sense of isolation

Take Action
